

PRESS RELEASE
(ISIN FR 0000066607)

LACROIX Group
Fiscal Year 2014-2015 Revenue
(Released Nov.12th, 2015 after trading hours)

In Million Euros	30.09.2015	30.09.2014	Evolution 2014/2015
LACROIX Electronics	268,5	220,6	+ 21,7 %
LACROIX Sofrel	37,2	35,8	+ 3,9 %
LACROIX City	89,4	99,5	- 10,1 %
TOTAL Group Revenue	395,1	355,8	+ 11,0 %

- **LACROIX Electronics** [*electronics design and manufacturing services*] had a continued strong growth (+50% over 2 years), evenly distributed among sites and business sectors.
- **LACROIX Sofrel** [*design and marketing of remote management systems for water and energy networks*] shows an increase within the upper range of initial forecasts, due in particular to a good performance in exports.
- **LACROIX City** [*design and marketing of products for the signage and lighting of city and roads*] in a context of structural contraction of the signage market in France, has recorded a drop in revenue by 13.0%, not including LACROIX Sogexi (street lighting).

In this mixed environment, the Group keeps intact its investment capacity and prospects for growth.
