About LACROIX Group

LACROIX Group is an international technological equipment manufacturer, aiming to serve a connected and responsible world with its technical and industrial excellence.

As a listed family-run mid-cap, LACROIX Group combines the essential agility required to innovate in an ever-changing technological sector with the industrial capacity to produce robust, secure equipment and the long-term vision to invest and build for the future. LACROIX Group designs and produces its customers' electronic equipment, in particular in the automotive, home automation, aeronautical, industrial and health sectors. LACROIX Group also provides safe, connected equipment for the management of critical infrastructures such as smart roads (street lighting, traffic signs, traffic management, V2X) and the management and operation of water and energy systems.

Drawing on its extensive experience and expertise, the Group works with its customers and partners to build the connection between the world of today and the world of tomorrow. It helps them to create the industry of the future and to make the most of the opportunities for innovation that surround them, supplying them with the equipment for a smarter world.
